I hereby authorize St. Bernadette School and/or Parish to charge the credit card below for my SCRIP gift card order(s) received by my household, signed by an adult, for the dates of this authorization or until I notify the School and/or Parish in writing otherwise. This credit card information will be kept in a secure location, with access to only those who need to know. The charge on my credit statement will not appear as St. Bernadette, but rather:

Electrical Service & Systems

which is the company who has so generously agreed to offer its credit card services for the benefit of the SCRIP gift card program. I further acknowledge that by utilizing my credit card for the purchase of SCRIP gift cards, the fees associated with using this credit card (approximately 2%) will further reduce the tuition reimbursement incentive due my family or the family I designate on my forms. Additionally, each disputed / reversed charge by you and/or your credit card company will result in a \$25 administrative fee.

I have read and understand the policies above regarding credit card usage for STBS SCRIP.

Cardholder: _____

Thank you for your support of the St. Bernadette SCRIP gift card program!!

CID/CVV2 for Visa & MasterCard:

This number is printed on your MasterCard & Visa cards in the signature area of the back of the card. (it is the last 3 digits after the credit card number in the signature area of the card). If you cannot read your card security code, you will have to contact the issuing creditor.
